Amendments to the Specification

On page 1, lines 5 and 6, please replace the existing title with the following title:

~~SYSTEM AND METHOD FOR PROVIDING~~ SELF-INSTALLING
SOFTWARE COMPONENTS FOR NETWORK SERVICE EXECUTION

5   On page 4, lines 21-24, please replace the existing paragraphs with the following substitute paragraphs:

        ~~FIGURE 9 is a flow diagram~~ FIGURES 9 and 10 are flow diagrams showing a routine for downloading and installing self-installing software components for use in the routine of FIGURE 6.

10   ~~FIGURE 10~~ FIGURE 11 is a flow diagram showing a routine for updating self-installing software components for use in the routine of FIGURE 6.

On page 16, lines 6-10, please replace the existing paragraph with the following substitute paragraph:

15   ~~FIGURE 9 is a flow diagram~~ FIGURES 9 and 10 are flow diagrams showing a routine 130 for downloading and installing self-installing software components for use in the method 90 of FIGURE 6. One purpose of the routine is to download any code bundles 28 required to install the target network service 22 and, if installation is delegated, to carry out the installation steps on behalf of the

20   user.

On page 17, lines 15-18, please replace the existing paragraph with the following substitute paragraph:

        ~~FIGURE 10~~ FIGURE 11 is a flow diagram showing a routine 150 for
25   updating self-installing software components for use in the method 90 of FIGURE 6. One purpose of this routine is to determine whether an installed target network service 22 requires updating following successful installation.
